TD Bank balances reflect the funds available for immediate withdrawal. It includes pending debit card transactions, as well as any deposited funds that have been made available. It does not include checks that you have written that have not cleared. To determine the availability of funds you have deposited, please refer to your account documentation.

The Consolidated Balance value is a combination of both the CDN and USD products on your Portfolio. * The Consolidated Balance value assumes USD \$1 = CDN \$1.

This report has been prepared using TD Bank Financial Group information, as well as information that you have provided to us. While every reasonable effort has been made to ensure the accuracy and completeness of the other financial institution information, we cannot guarantee it. The information contained herein is for illustration purposes only. Any legal or tax issues should be confirmed by your own legal or tax advisers.
